

Librarians can facilitate access to all school digital resources

What is ReadCloud?

ReadCloud enables educators and students to access all their classroom resources in one place. Digital and remote learning is simplified and accessing content is easier than ever.

Helping you save time on managing digital resources, licences and publisher code activations.

“ It completely removes the stress of having to manage access codes for distribution and logging in.

Teacher-Librarian

Content

Help your staff and students access all curriculum content and manage it all easily: eBooks, interactive resources and digital subscriptions.

Copyright

We take care of copyright for you with our proprietary Digital Rights Management (DRM) solution hosted locally and encrypted end to end.

Synchronised

Provide access and use ReadCloud to easily find, share and organise school material in one place, aligned by individual classes and users.

Code activation

ReadCloud makes it easy by activating and managing codes and licences on your behalf. No more messy spreadsheets.
