

We help school leaders simplify digital and remote learning

What is ReadCloud?

ReadCloud enables educators and students to access all their classroom resources in one place. Digital and remote learning is simplified and accessing content is easier than ever.

Make teaching and learning less complex with the leading platform for digital resources

"ReadCloud has enabled seamless access to continue learning in an uninterrupted way both inside and outside the classroom"

Deputy Principal

Digital First

Working with a tech company means teachers and students have access to a well supported product, employing leading technology, developed locally.

Modern Learning

Equip students with the skills for 21st century learning and provide them with the right tool to access the content they need for their learning.

Equity

Ensure equitable access with a platform that gives access to resources for teaching and learning, for all individual circumstances.

Capability

Give teachers tools to enhance understanding and boost engagement by bringing content to life with highlights and collaboration.
