Letting teachers focus on what matters most

readcloud

What is ReadCloud?

ReadCloud enables educators and students to access all their classroom resources in one place. Digital and remote learning is simplified and accessing content is easier than ever.

Getting organised is less frustrating and its easy to personalise and contextualise learning resources

> *ReadCloud assisted in maintaining focus as students were not navigating to various websites for publisher content.*
>
> ***Teacher***

Content

Get access to all the classroom content you need to teach in one place, including eBooks, interactive resources and digital subscriptions.

Code Activations

Let us manage code activations for you, ensuring all students can access the content you need them to access, securely, from day one.

Differentiate

Bring content to life and personalise learning with comments, highlighting and Enhanced Annotations such as videos, images and audio.

Embedded

Access resources and use ReadCloud in your way, inside your lesson plans, Learning Management System, Microsoft Teams and other tools.
